CLASS OF 1956

HUNTERTOWN HIGH SCHOOL

HUNTERTOWN, INDIANA

FOREWORD

The year 1955 marked the completion of the new addition to our school.

Many things are necessary to construct and operate a building, and if any one of these is missing, the building will not endure.

In this book we have tried to compare the various segments of our school life with the persons and props essential to the proper construction of a building.

An old man going along the highway, Came at the evening, cold and gray, To a chasm vast and deep and wide Through which was flowing a sullen tide; The old man crossed in the twilight dim, The sullen stream held no fears for him; But he turned when safe on the other side And built a bridge to span the tide.

"Old man," said a fellow pilgrim near,
"You are wasting strength with building here,
Your journey will end with the ending day;
You never again will pass this way,
You have crossed the chasm deep and wide,
Why build you this bridge at the eventide?"

The builder lifted his old gray head,
"Good friend, in the path I have come," he said
"There followeth after me today
A youth whose feet must pass this way.
This chasm that has been naught to me,
To that fair-haired youth may a pitfall be;
He, too, must cross in the twilight dim.
Good friend, I am building the bridge for him."

DEDICATION

We wish to dedicate this yearbook to all of the "bridge builders" who have helped "the fair-haired youth" approach and successfully cross the bridge of education.

The administrators are the "architects" who plan and oversee the construction of our lives while we are in school.

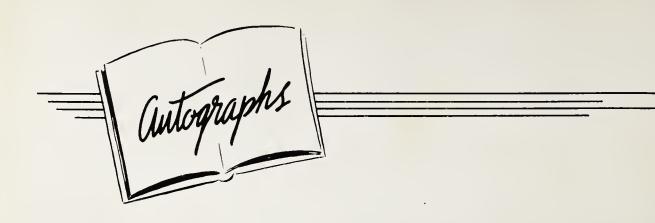

The faculty members are
the "contractors" who do the
construction work according
to the blueprints drawn by the
architects.

ADMINISTRATION

"BUILDING"

In the year 1923 Eel River and Perry Townships completed an important project, building the first school unit of the newly formed consolidation. This made Eel River-Perry School one of the bigger and better rural schools of Northeastern Indiana.

Continued growth resulted in further expansion. In 1936 the new gym and six additional classrooms were added. A new surge of home building resulted in our adding still another unit to the 1923 and 1936 additions.

We now have 40 classrooms, 34 teachers, 950 pupils, 20 bus drivers, and several janitors in our organization. Our school population is increasing at the rate of 100 pupils each year.

We are at present the largest two-township rural consolidated school in the state of Indiana. At the present, we are standing inspection for a first-class commission from the state.

We are growing up.

We Are High School Kids With the Usual Fads and Fancies

We're intent on fun

from the tips of our saddles . . .

or smooth flat-tops.

We have a lingo all our own which covers everything from discs . . .

. . to dates.

Our jeans, loafers, argyles, and Bermuda shorts may seem impractical . . .

. . . our diet of hot dogs, potato chips, and cokes may seem impossible . . .

. . . our ideas of fun may seem improbable . . .

but we wouldn't be normal, healthy American kids minus our high school fads and fancies!

SENIOR ACTIVITIES

MINSTREL SHOW

TOURNEY QUEEN CONTEST

QUEEN: Sally Tom
RUNNERS UP: Janet Jordan
Joyce Hovarter

The seniors were very busy all year earning money for their trip, besides all of the other activities that are ordinarily undertaken by the class.

Some of the money-making projects included the sale of magazine subscriptions;

potlucks with the parents; a minstrel show; collecting junk; bake sales; skating parties; car washes; the sale of Christmas trees, jello, and light bulbs; a chili supper; a tourney queen contest; a hillbilly play starring the parents; and the class play.

The goal was set for a six-day trip to Washington D.C. and New York.

SENIOR PLAY

"AUNT CATHIE'S CAT"

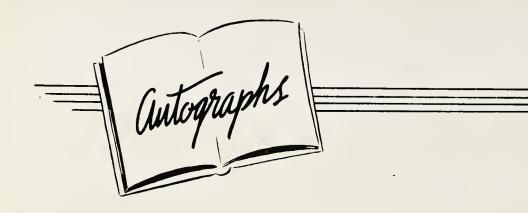

"The play, a mystery comedy in three acts, was presented April 6, 1956. Things start happening when two maiden ladies with their two nieces and a dumb-dora maid rent a spooky old mansion that has been shut up for a long time. The play, directed by Mrs. Virginia Clark, offered a variety of mystery, comedy, and romance.

The cast included:

ACTIVITIES are the "mortar" that hold school life together.

HALLOWEEN FESTIVAL

Minstrel Show

German Band

OFFICERS: President, Sharon Mason; Vice President, Peggy Leazier; Secretary, Carolyn Dicke; Treasurer, Sharon Dove.

Y-TEENS

The Y-Teens club had fifty members this year. These members are chosen from the four high school grades. The club is closely associated with the Y.W.C.A., and therefore carries on many worthwhile activities.

Their adviser for the past two years has been Mrs. Alice Muller.

HI-Y

Get 'em clean, boys!

"To create, maintain, and extend throughout the home, school, and community high standards of Christian character." That is the aim of an active and outstanding organization in our school, the Hi-Y club. This year the club consisted of thirty members from the Junior and Senior classes. They carried on several activities throughout the year.

The sponsor of the club is Mr. Richard Horstmeyer.

OUR BAND

Whether they are playing at basketball games, during an assembly, or on a parade, the band, under the direction of Walter Sloffer, adds life and pep to the occasion.

Mr. Sloffer rehearses the many maneuvers we see presented at games by the marching band. The ability of the band is prominent during contest time.

CHORUS

OFFICERS

The chorus, composed of approximately fifty students selected from the four high school grades, provided various musical programs for the school and the local community during the past year. They presented assembly programs for the student body on Thanksgiving and Christmas and also went on their annual Christmas caroling jaunt.

The group elected as their officers Bill Schafer,

president, and Nancy Freck, secretary.

Miss Dottie Cotner directed the chorus and other vocal groups such as the girls' trio, the octette, and the madrigal group. This was Miss Cotner's first year at Huntertown.

STUDENT COUNCIL

The Student Council is a representative group of the student body. They strive to help the school function properly. One of their objectives during the past year was to promote an extensive safety program.

The representatives from each class were:

Freshmen--Stanley Dunten, Charlotte Sloffer, Marilyn McBride.

Sophomores -- Mary Weaver, Sharon Buckmaster, Karan Jordan, secretary.

Juniors -- Robert Deetz, David Smith, Marilyn Zeller.

Seniors--Chuck Koval, president; Betsy McCray, vice president; Joan Sherwood, treasurer.

This is only the second year for the National Honor Society in our school, but already it has become an important goal toward which students work.

Not more than 20 per cent of the Senior class may belong to this organization. The members of the chapter are chosen for their scholarship, character, service, and leadership.

HOME ECONOMICS

The Home Economics Department, under the direction of Mrs. Margaret Hostetler, plays an important role in the molding of "tomorrow's homemakers." During the Christmas season, the girls made holiday cookies as a money making project, which helped toward the purchase of the new refrigerator. As one of their annual projects, they planned, prepared, and served the F.F.A. son-parent banquet on March 12. One of the highlights of the year was the presentation of the style show on April 12.

INDUSTRIAL ARTS

The industrial arts department, under the supervision of Mr. Dwight Alvis, contained three classes this past year. The industrial arts department teaches the student to be efficient with tools and to improve his class work in regard to studying and organization.

The efficiency of the Art
Department is due to the
efforts and ability of Mrs.
Burns. During the past year,
the Art Department has completed a number of noteworthy
projects. We are very proud
of this capable organization.

Coach Schoeff's Wildcats gave the basketball fans some exciting thrills during the 1955-1956 season. Even though the team won only three games, they had a lot of spirit and worked very hard, losing several games by a narrow margin.

At the end of the year, several awards were made to the outstanding players on the team. Larry Dove received the award as "All-Round Wildcat." Bill Schafer was voted as the player who made the greatest improvement during the season. Eldon Dice topped the other varsity players by sinking 69 per cent of his shots from the free throw line. On the second team, Bill Archer hit 71 per cent of his free throws.

BOOSTER CLUB

The Booster Club is directed by Mrs. Alice Mueller and Mr. Glenn Geiger. It consists of students from grades seven to twelve. The officers are Larry Dove, Janet Jordan, and Barbara Lincoln. The boys on the basketball team are honorary members. The purpose of the club is to "build" the morale of the school and to cheer our team on to victory.
